

Out of the Box

A willingness to step forward is a direction worth taking

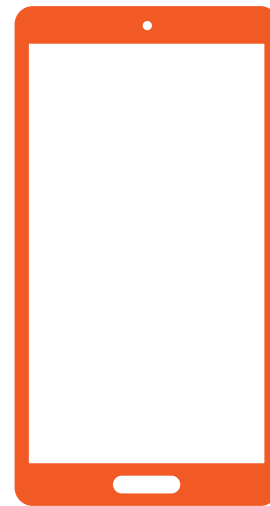

Employers:

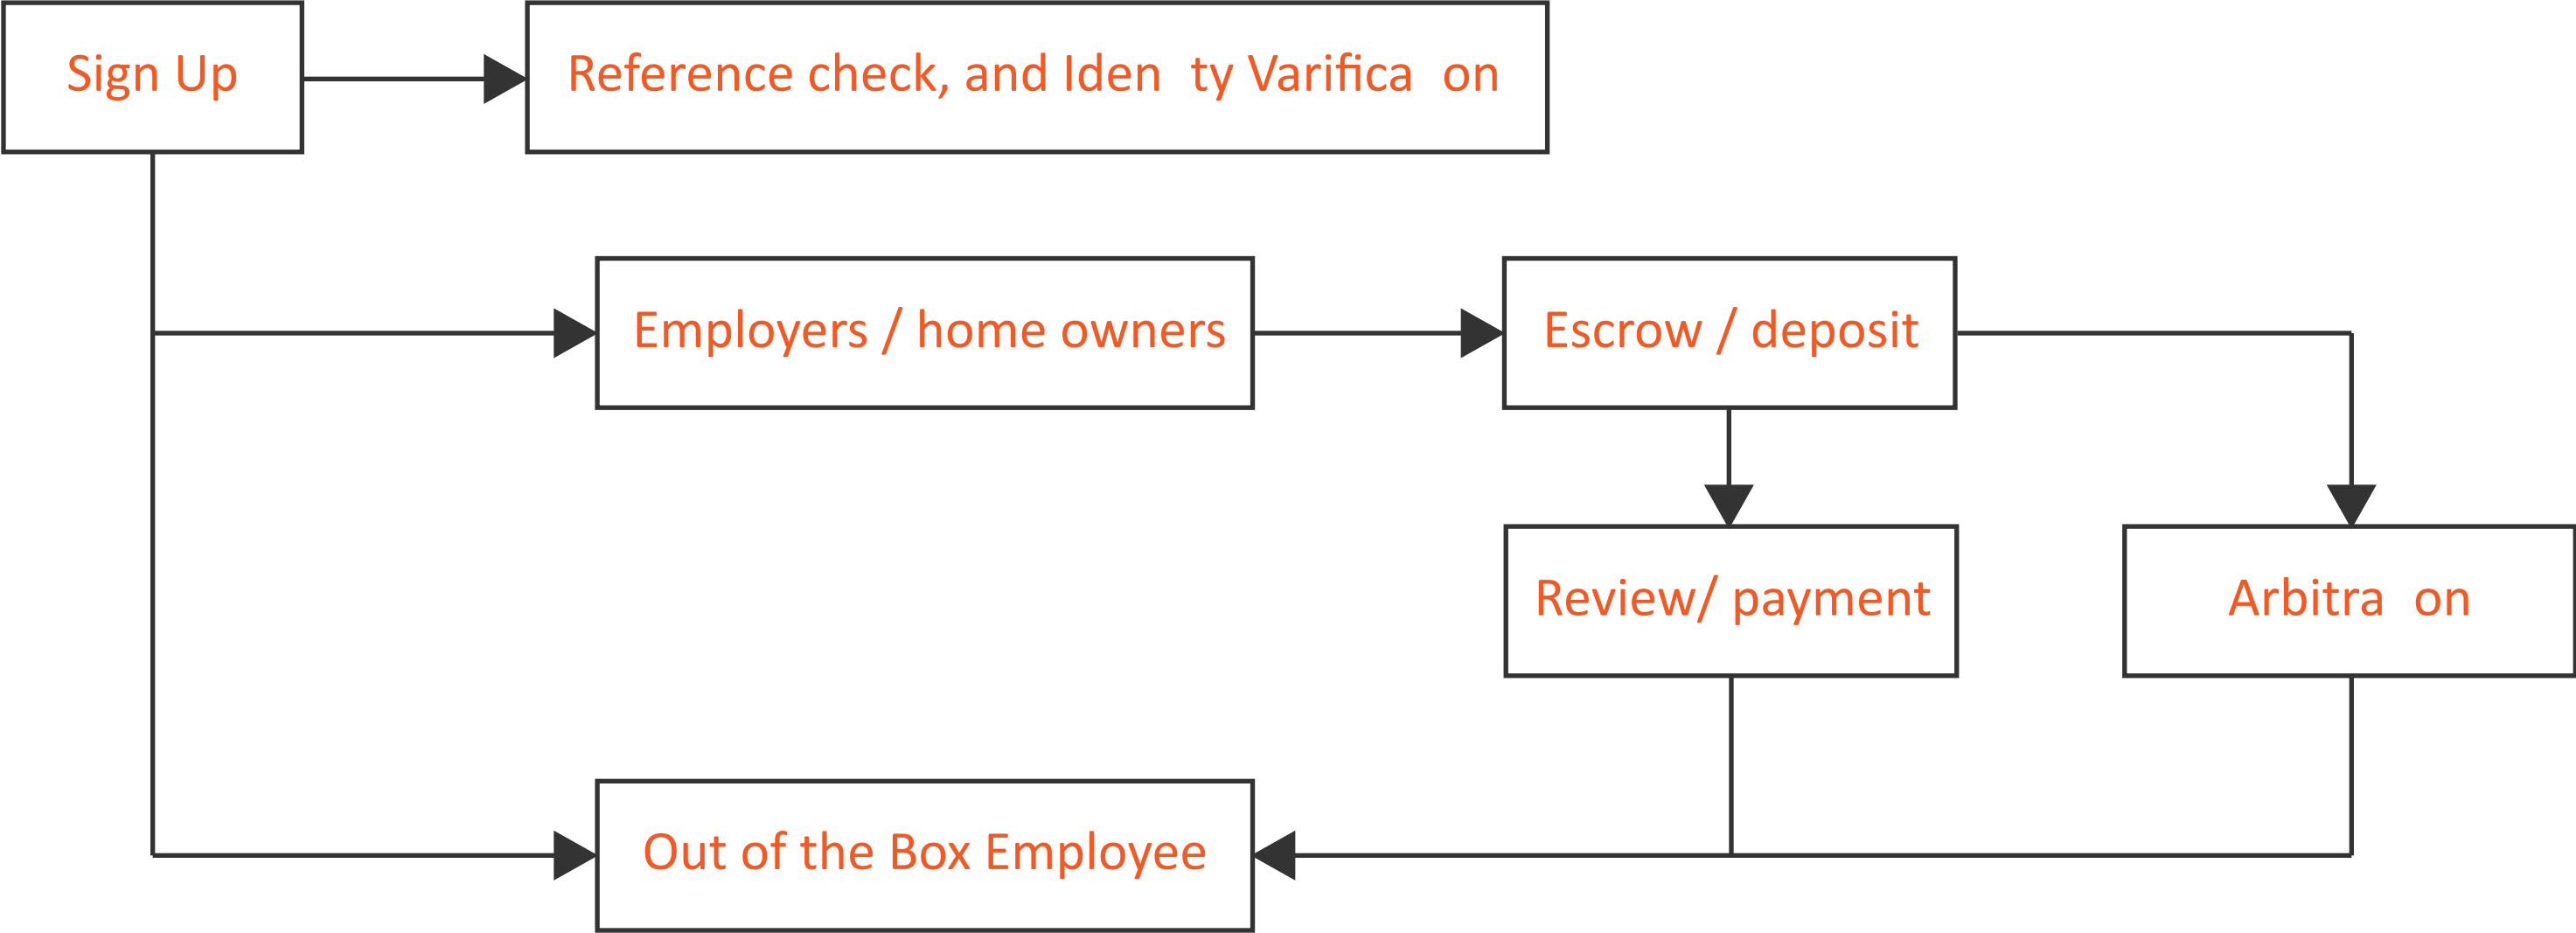

Employers have difficulty with employee retention in the Labour field such as dishwashing, manual labour, cleaning, skilled trades. Some of these problems are also due to job inconsistency's. Such as job delays. Too many jobs (spread too thin), not enough work force. Payment issues.

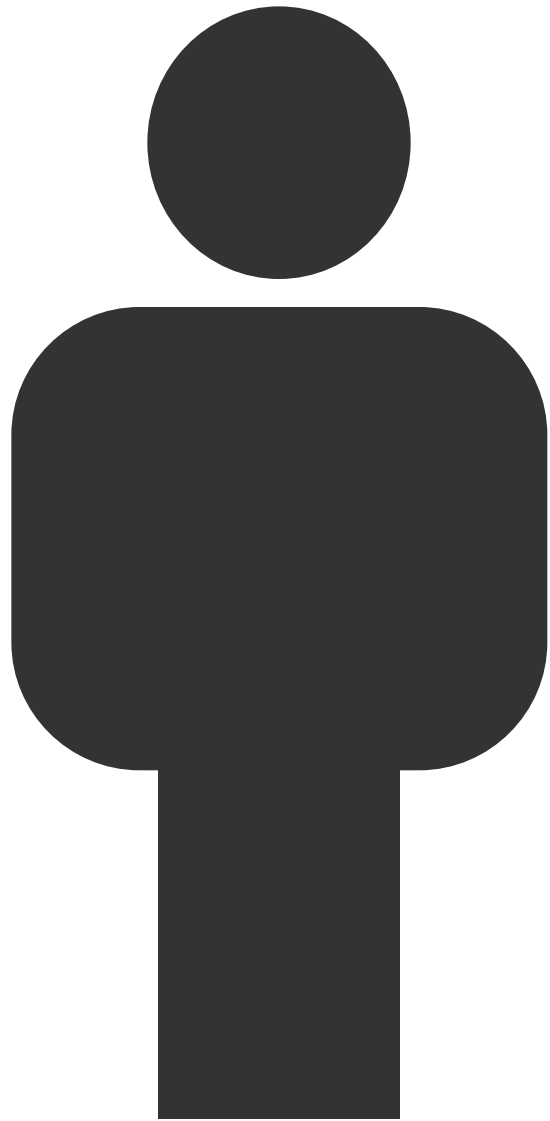

Employees:

Employees have a hard time with layoffs, looking for new work, getting paid for accurate time. Training and growth.

we offer a time tracking fast pace labour/help for anyone while giving in-house credits to pay for training, in-house accounting, assist with production management.

Age: 18 - 40

- gamers looking for opportunities but don't know how
- students looking for part time work
- already working in the work force looking to advance in pay and opportunities

Work In Progress
